**EXAMINER'S AMENDMENT** ✓

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims.

Claim 34, line 2, please delete the first instance of "are impedance elements".

***Allowable Subject Matter***

2. Claims 33-38 are allowed.

3. The following is an examiner's statement of reasons for allowance: ✓

Prior art fails to suggest or disclose, inter alia, an impedance network comprising; first, second, third, fourth and fifth pluralities of impedance elements, each plurality of impedance elements being connected in series; the second, third and fourth pluralities of series connected impedance elements being connected in series in the order of second, third and fourth pluralities of impedance elements, a first end of the series connection of the first plurality of impedance elements being connected to the first impedance network terminal and a first end of the series connection of the fifth plurality of impedance elements being connected to the second impedance network terminal, each connection to and between impedance elements forming nodes; a first plurality of switching elements selectively coupling nodes in the third plurality of impedance
